Industry Credibility
ITechLaw offers members an opportunity to build a personal brand on a global scale. From speaking at conferences to presenting in our committee webinars, your thought leadership can reach thousands of global technology lawyers and the key public audiences. You can also gain visibility for your firm by taking on a leadership role in one of the many member-driven technology law initiatives.

Global Referral Networks
ITechLaw is the fundamental source for building your global referral network of premier attorneys, in-house counsel, government officials and service partners. By joining ITechLaw, you become part of a prestigious international network of technology law professionals, and have a unique opportunity to receive referrals from global technology law practitioners in a variety of jurisdictions and practice area specialties.

ITechLaw is proud to say that 25% of our members have been a part of ITechLaw for more than ten years. The foremost reasons why members return every year is due to the relationships formed through our events and activities.

In addition, the ITechLaw network provides an invaluable resource of the best IT law practitioners in the world at your fingertips. Finding an expert on short notice in a particular jurisdiction with a particular specialty becomes a much easier task when you are connected with the ITechLaw network.

Strategically Curated Content
Members receive exclusive access to timely and in-depth global technology law information. With a Tech Law Resources section on website and daily industry newsfeed delivered directly to your inbox, ITechLaw makes it simple to stay in the know with current technology law news and information.

Today’s technology attorneys need continuing education to stay on top of the most prominent, complex and constantly changing issues of concern. ITechLaw’s educational events are unique in their focus and offer comprehensive views of the various issues affecting technology law on a global level. Events are held on at least three continents a year, encouraging our members to stay current on issues affecting clients in multiple jurisdictions. From two-day forums to one-hour webinars, ITechLaw provides a wealth of educational opportunities. The World Technology Law Conference is held annually in May in the United States and offers Continuing Legal Education credits.
Committee Participation
ITechLaw thrives due to the ongoing dedication of its volunteers and the creative contributions of its wide spectrum of committees. ITechLaw currently offers eight substantive law committees, dedicated to specific areas within technology law, as well as multiple organizational committees driving the direction and growth of the association.

Current Substantive Law committees include:
- Cyber Crime
- Data Protection
- Dispute Resolution
- E-Commerce
- Intellectual Property
- Interactive Entertainment and Media
- Startups
- Technology Sourcing

ITechLaw also offers a number of membership committees including:
- In-House Counsel
- ITechLaw Women’s International Network (I-WIN)
- Young Lawyers
- Local Representative, which is geographic based

ITechLaw members are encouraged to participate in one of these committees and to be actively involved with the association. Participation on a committee provides excellent visibility for members and their firms, and offers a multitude of educational, professional, and networking opportunities.

Membership Levels and Annual Dues
ITechLaw offers individual and group membership levels. Each membership level offers the same benefits, though the group membership level offers a streamlined billing process and discounts on multiple memberships from the same firm or corporation.

Membership Rates
The membership year runs annually from July 1 – June 30. New members joining in the middle of the year will pay a pro-rated yearly rate for the remaining months of the year until June 30. Rates vary by member type and geographic region, see outline below. All prices are listed in US dollars (USD).
